

Commitment to Sustainability

Good Natured

The first three letters of MODA stand for *modern organic design*. We knew from the beginning that we wanted our work to be sustainable for the environment and for our clients.

Short and long-term energy savings, tax breaks and increased positive marketing results are a few of the benefits our clients experience.

LEED® Accredited Services

A MODA LEED® Accredited Professional can assist you in meeting LEED standards, including:

- Sustainable Design
- Understanding the Rating System
- Steps to Certification
- Levels of Certification

The LEED (Leadership in Energy & Environmental Design) Green Building Rating System™ is a voluntary standard that defines high performance green buildings – those that are healthier, more environmentally responsible, and more profitable structures.

Go Green in Branding

Our staff is also prepared to help you make sustainable choices in your branding efforts. We are very familiar with eco-friendly printing materials and techniques to get your message out that are friendly to the environment and your ROI.
